This is nice.

You know what? This comic **SUCKS.**
Talking trees burning wood for a **fire,** eating from a wooden stick in the middle of a **forest.**
WHO CAME UP WITH THIS?!

Well, well, if it ain't Jerry the **Ent**-itled.
Can you stop whining like a little sapling? I'm trying to work in here.

Yeah, show some respect, Jerry!
Boo, Jerry, you SUUUCK!
Bruh, look I'm STONED.
Haha, lit.
